

**Representation for application ref. ECU00002128.
Glenlee to Tongland 132kV Reinforcement Project**

This is the second representation from Galloway Without Pylons (GWP repr.2)

These are the Community Councils that support our efforts to persuade SPEN and the Scottish Government to underground the Glenlee to Tongland section of the KTR Project.

All the above community councils have submitted support letters that are on the GWP website: <http://gallowaywithoutpylons.org/community-council-views>
