Dear Finlay Carson MSP,

Thanks for your correspondence. On 10th December 2021, after receipt of a recommendation from Energy Consents Unit officials, I decided that a Public Inquiry should be caused with respect to the 5 Electricity Act applications which relate to this project. The Unit is currently in the process of organising document transfer to the Department of Planning and Environmental Appeals - due to the volume of documentation involved this will take a few weeks.

I hope this clarifies the situation.

Yours sincerely

MICHAEL MATHESON
